ISSUE 10 - 4th March 2010

MESSAGE FROM FINANCE OFFICER

Please bank as much as you can before the event. Experience tells us that successful teams have raised and banked 90% of their funds prior to Relay.

Deposit slips and cash bags are available from Linda at the Cancer Society office. Please do not bank without a coded deposit slip. Ensure your money is sorted into correct denominations. This makes it easier for the bank tellers at National Bank. Last day for banking at the National Bank is Thursday 18th March. Any banking after this date will not be included in your total until after the event. Any funds not banked can be brought to the finance office at the event.

Make sure you know if people want receipts – no tick no receipt. Ensure contact details are clearly written and legible. Any undecipherable receipt requests will not be actioned.

Donations can be made on-line at www.relayforlife.org.nz – receipts will be sent to donors automatically.

Completed donation sheets should be entered onto the banking summary form and sent to the Cancer Society office. Receipts will be issued back to your team captain for distribution.

T-shirts, hats (for those that have not collected them yet), batons and security wrist bands will be issued at the bank nights. If you have not done so, please let us know when your t-shirt and hat order is complete so we can bag them up.

QUOTE OF THE WEEK

Without the illness I would never have been forced to re-evaluate my life and my career. I know if I had not had cancer, I would not have won the Tour de France.

FUNDRAISE ON LINE

If any of your team is using Fundraise On Line to fundraise for Relay For Life please let us know. We need to know which team they are a member of so the funds can be allocated correctly.
