## SILENT AUCTION

About 20 pieces of art both painted and framed photography will be up for grabs by way of a silent auction at Relay For Life. This has been put together by the South Taranaki District Council Team and will be on display at the STDC Council from the 9<sup>th</sup> to 12<sup>th</sup> March and then in the Hawera Town Co-ordinator's office from the 15<sup>th</sup> to 19<sup>th</sup> March.

To bid on one of these items we ask that you write on the bidding form the most you would be willing to pay for your item of choice. If you are the highest bidder you will win that item and have until Friday 26<sup>th</sup> March to pay for it and collect it.

## HAIR RAISING HEAD SHAVING

Do you have anyone in your team that is willing to shave their head for a good cause? Have you thought of getting donations to shave your own head?

If you answered yes to one of the above questions at 10am on the Sunday morning of Relay For Life we will have clippers available for this. If you wish to register for this please let us know at the office.

## WHY FUNDRAISE \$100 EACH TEAM MEMBER

Each team member in Relay For Life is encouraged to raise \$100-\$200 or more each for their team effort.

Why? We receive no government funding and rely solely on the generosity of our community for funding.

The Taranaki Centre is here to help you manage the impact of cancer in your life. Our comprehensive range of services are designed to help patients, carers, friends and family deal with cancer while maintaining a positive future outlook and making the most of living in the present. We also assist individuals, families and communities to make healthy lifestyle choices to reduce their risk of developing cancers.

Every dollar raised helps us to continue providing cancer patients with free services, to promote early detection and healthy lifestyles and to fund cancer research

## QUOTE OF THE WEEK

If children have the ability to ignore all odds and percentages, then maybe we can learn from them. When you think about it, what other choice is there but to hope? We have two options, medically and emotionally: give up, or fight like hell.
